EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

- a. In claim 21, line 36, deleted "operation comprises" and inserted --device utilizes a capping operation comprised of--.
- b. In claim 22, line 2, deleted "means" and inserted --head--.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: the capping device comprised of a capping head comprised of resilient means for applying a force of 20N – 150N which varies during rotation of the capping head, bearing means for attaching and retaining the cap on the bottle neck, crimping means for crimping the cap skirt, where the crimping means and capping head function in a single axial movement to tighten and crimp the cap, and decoupling means for decoupling the bearing means from rotating with the capping head when the torque on the bearing head achieves a predetermined level is distinguished over the prior art of Hannon and Barca which does not disclose the use of resilient means for applying a force of 20N – 150N which varies during rotation of the capping head and decoupling means for decoupling the bearing means from rotating with the capping head when the torque on the bearing head achieves a predetermined level

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
